This Fall

Equity through Design Mentorship is a **NEW** program that connects working professional designers in **Film, Theater and Live Entertainment** with **students like you!**

Our mission is to create structured opportunities directed towards **BIPOC students** (Black, Indigenous & People-of-Color) to learn about the amazing careers in design through one-on-one mentoring and expert panels with some of the top designers in the field.

**MAKE
CON
NEC
TIONS**

Get the hook-up with working professionals who can guide you towards internships, assistantships and production assistant opportunities.

Learn about how to think like a designer and express your point-of-view on the world.

**FIND
